Upcoming Radian Guaranty MI Systems Outage on November 7, 2026

Radian Guaranty MI systems will be temporarily unavailable from 3 a.m. to 6:30 a.m. EST on Saturday, November 7, 2026, while scheduled maintenance is performed.

During the outage, the following applications will be unavailable:

- MI Online
- Radian Rates mobile application
- HTTPS/web services such as B2B integrations, Loan Origination Systems (LOS), and Pricing Interfaces
- SFTP services, both via interface or direct connection

While radian.com will still be available, MI Rate Quote/MI Rate Finder, will be inaccessible.

Please note, our systems will not queue attempted transactions during the outage window.

To avoid MI service delays and disruptions, please plan to hold any HTTPS/web or SFTP transactions or transmissions to Radian Guaranty from 3 a.m. to 6:30 a.m. EST on Saturday, November 7, 2026.

We will confirm via email to our eBulletin and Servicer Alert subscribers when normal operations have resumed. We appreciate your patience and cooperation as we strive to provide the best possible performance and user experience while advancing our technologies.
