

Simply rewarding.

The MyRadian Appraisals app simplifies the appraisal process by streamlining communication at every step — eliminating time-consuming “phone tag” and giving you control over the orders you accept.

Mobile-Enabled Process *(with MyRadian Appraisals)*

Lender submits appraisal order

Appraiser accepts only the orders they want

Appraiser chooses inspection time from available options

Appraiser inspects the home

Appraiser confirms inspection is complete with one click

Traditional Process *(without MyRadian Appraisals)*

Lender submits appraisal order

Radian assigns order to local appraiser

Appraiser and borrower negotiate inspection time

Appraiser inspects the home

Appraiser calls Radian to confirm inspection is complete
